CTAC

One of the wonderful resources available to USCPFA Chapters and Members are the minority costumes that we have collected over the years. There are over 60 of these Chinese Regional Minority Costumes available from CTAC for educational use. These costumes are wonderful, colorful, and can add an exciting presentation to your chapter or region. What you will see here are a number of them that can be used for your activities.

If you would like to use these for your chapter or region events, you must agree to the following: Please cherish them for the cultural gems that they are. Keep them clean and free from abuse and when not in use, keep them carefully packed in the plastic bags or boxes that they came in. You also agree to return them promptly and in the same condition that they were received.

I would like to rent the following costumes:
